Dear Ms. Senger:

The following is in reference to our June 2005 Federal Election Commission Monthly Report (05/01/2005 - 05/31/2005), filed on June 16, 2005.

We have corrected our earlier 2005 reports to accurately reflect the excess contributions. We have removed those contributions that were actually received by our collecting agents (local unions) and identified those that were contributed by individuals.

Schedule A of referenced report have been corrected to accurately reflect aggregate year-to-date totals; with complete name, address, occupation and name of employer. These errors were due to a software conflict. Schedule A has also been corrected to accurately reflect contributions received at an IBEW Utility Conference. These contributions were collected from numerous collecting agents (local unions), not another organization or political committee.

Schedule B, Line 29 of the Detailed Summary Page has been corrected to accurately reflect a Non-Federal contribution issued to Mayor Villaraigosa. This was inadvertently reported on Line 24.

Therefore, this notice is to notify you that the FEC monthly reports for the above stated periods have been electronically amended, as of Thursday, July 28, 2005.

Best Wishes.

Sincerely,

Jon F. Walters  
Secretary-Treasurer
